

## Principal's Notes

The highlight of this week was the All-School field trip to the Francestown Fire Station, where the students learned all about Fire Safety from our dedicated volunteer firefighters.

## Halloween Notes

Students may wear their costumes to school on Tuesday as long as they do not provide a safety hazard throughout the day. Students will be asked to keep masks and accessories in

their backpacks until the parade at 2:55. **DO NOT send in any accessories that resemble weapons.** Please be aware if parts of student costumes are too scary or violent, we will ask students to leave those parts of the costume in their backpacks. Thank you for your cooperation.

### Upcoming Events at FES

Special of the Week: PE

October 31: Pumpkin Carving & Halloween Parade

November 6: CLiF Grant Presentation (Marty Kelley)

November 7: Fourth Grade Field Trip

December 1 & 7: Marty Kelly Author Visit (Marty Kelley)

### Upcoming PTO Events:

- Saturday November 11: Veteran's Day Luncheon 10 am - 1:30 pm
- Monday November 13: PTO meeting 6 - 7 pm (childcare available)
- December 1 & 7: Author Visit! Marty Kelley (sponsored by the FES PTO)

Many projects were completed with the Arts Enrichment team on Friday. Here are the Native American peeps that the fourth graders made, as they are learning about the Abenaki people.

Thursday, October 26 was the 7th and final **Cornucopia** class. In spite of rainy conditions outside we had a fun time. We circled up in the 2nd grade classroom to taste and discover the ingredients of "garden harvest bread." We then had an excellent brainstorming session listing gardening experiences and knowledge to share with first graders in garden legacy letters. On Friday, the class finished "putting the beds to bed" and planing garlic. See you in the Spring!
