

Do you know an Outstanding Educator in the ConVal School District?

Perhaps it's the extra time spent with students to ensure they develop a deep understanding of the material, maybe it's the educator's creativity or caring that sparks the joy of learning in a student, or maybe it's the educator going the extra mile every day and deserves some recognition. Whatever your reason may be, the Con-toocook Valley Regional School District is now taking nominations for teachers, para-professionals, and special service professionals for the 2018 "Outstanding Performance Awards."

The following positions are eligible for "Outstanding Performance" Awards:

Teacher	Paraprofessional
Library Media Specialist	School Counselor
Speech Pathologist	Occupational Therapist
Physical Therapist	Social Worker
School Psychologist	School Nurse

Anyone interested in nominating an educator should send an email to the relevant school principal, or to the Superintendent by March 31st, 2018. You may nominate up to 5 individuals.

Kimberly Saunders, Superintendent: ksaunders@conval.edu
