

Francestown Elementary School

NOVEMBER 2, 2018

FROM THE PRINCIPAL'S DESK

Here we are at the beginning of November! We have had a few frosty mornings, and it seems as if Fall weather will quickly be turning into Winter. Please remember to send your student in with appropriate clothing for the weather.

November is a short month as far as school days goes, but so much learning is taking place! It is important that teachers have their students with them as much as possible to maximize learning. Thank you for helping your child to get to school on time and getting lots of rest so they are ready to learn.

Part of the mission of FES is to promote community relationships to advance educational opportunities for students. I would like to remind you about the upcoming Veteran's Day Luncheon happening on November 11th. Please consider contributing to this luncheon by signing up at the link: <https://www.PerfectPotluck.com/WSTW2739>.

Teachers have been enjoying the opportunity to meet with each of you about your child's progress. If you have not yet signed up to meet with your child's teacher, please email them:

Kindergarten: abosquet@conval.edu

Grade 1/2: lmann@conval.edu

Grade 3: srobert@conval.edu

Grade 4: lseale@conval.edu

If you have any questions or concerns following your conference, please feel free to contact your child's classroom teacher, or me.

REMINDER: There is NO SCHOOL on Tuesday November 6, or Monday November 12.

Have a great weekend!
